# Years of Service

## NOW 5 GROWING LOCATIONS

Leonard Coates Nurseries, Inc. is expanding to meet the enlarged needs of the nursery industry it has served for the past 79 years. When in full operation, our new 13-acre Quito Rancho Growing Grounds in Saratoga will give us facilities to more than treble our 1956-57 inventory of container stock.

We are proud of our long association with the nursery industry and of our ability to grow with the times. The new Saratoga location and our other facilities are designed to give you, our customers, increasingly better quality and variety. Please feel free to drop in and tour our new location when you are next in this area.

## Research and Quality Control

Since 1878, Leonard Coates Nurseries, Inc. has built its reputation on the consistently high quality of its

stock. We grow our own stock so that we can control that quality. We do not buy and resell.

## What Makes LC Superior Quality

All LC plants are grown in a very special and rich compost medium. That's why our stock produces a well-balanced top and thriving root system. That is also why it continues to grow and improve in your sales yard and does not require artificial feeding every other week or so.

What does this mean to you as a nurseryman? It means LC quality can maintain a vigorous and healthy growth for both you and your customer. High quality stock means a satisfied customer who comes back often.

## Special Delivery Service

Our own fleet of trucks delivers your orders promptly at lower cost than ordinary commercial transportation. Plants are handled properly, by our own experienced personnel, so that they arrive in top condition. Packing charges cover the cost of materials used and labor.

Please notify us promptly if we have made an error. Claims must be made immediately upon receipt of goods. We give no warranty, express or implied, as to description, productivity, quality, crops or any other matter whatsoever. Our liability in every instance whatsoever is limited to the purchase price.

# NEW ORDERING SERVICE

Following the suggestion of many of our customers, we are instituting a new buying procedure. They have felt that a more thorough restocking job could be accomplished if they could order early in the morning, late in the evening, or whenever their busy schedule permitted. For this reason, we are beginning a new wholesale ordering system which we feel will serve you better.

This master catalog you have in your hand is a complete list of all the stock available for sale with a description of each item. You will find a handy order form attached inside the back cover.

Beginning in December, this catalog will be supplemented by a smaller up-to-date monthly catalog. These booklets will keep you informed of current stock available. They will also keep you posted on any "specials" or new items developed.

We think you'll find these postage-free order booklets the easiest, most efficient way to place your orders.

Any time you would like a salesman to assist, feel free to call us. We will be pleased to send a man to help you with any special ordering problems.

KEEP THIS CATALOG ALL YEAR LONG FOR  
REFERENCE AND DESCRIPTIVE INFORMATION.

## Terms

Our regular terms are cash. However, we will be happy to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month follow-

ing delivery. No discount is allowed because our policy is to maintain prices consistent with high quality stock.

*This catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at time of delivery.*

## TERMS AND CONDITIONS OF SALE

**TERMS:**—All prices are net. Bills are due and payable 30 days from date of invoice. 6% interest will be charged after 30 days.

**SHIPPING:**—Weather permitting, deliveries and shipment will start about mid-December. We cannot guarantee exact shipping date, but will ship as nearly as possible on date specified.

**CLAIMS:**—Claims must be made promptly on receipt of shipment and all unsatisfactory or rejected goods held for our advice or disposition. We will gladly entertain such reports and make satisfactory adjustments when claims are definitely established.

**PRO RATE:**—All orders are booked subject to crop yield and pro rated in the event of a smaller crop than anticipated should injury befall seller's stock from fire, frost, floods, drought, disease, etc.

**GUARANTEE:**—We give no warranty express or implied as to life, description, productiveness of any stock we sell. We exercise care to have all stock true to name; however, it is understood that should any stock prove untrue to name we shall be liable only for the sum paid for stock which may prove untrue to name and not for any greater amount.

*Prices based on quantities of 5 or more, ONE variety. Less than 5 of a variety 20% additional.*

**PATENTED ROSES:—Plant Patent Notice:** The following provisions apply to all patented plants we sell: Each plant so indicated is a patented variety under the laws of the United States and any asexual reproduction or distribution by sale, gift, or otherwise of scions, buds, or cuttings for such reproduction, without license from patent holder, constitutes an infringement of the patent. Any unauthorized reproduction, sale or other distribution of reproducing propagating material of these patented plants, prohibited by the patent under these names, will subject the reproducer, seller or distributor thereof to prosecution for infringement under the United States Patent Laws.

**PLANTS FOR A PURPOSE**

To help you in suggesting the proper trees and shrubs for your customers, we have compiled the following list of plant material arranged according to different growing conditions and habits.

**Plants For Sun**

**Tall**

- Acacia verticillata
- Acacia cultriformis
- Arbutus unedo
- Berberis xanthoxylon
- Callistemon viminalis
- Ceanothus griseus
- Ceanothus Ray Hartman
- Ceanothus Sierra Blue
- Cercis occidentalis
- Escallonia pulverulenta
- Eugenia
- Feijoa
- Fremontia
- Lagerstroemia
- Ligustrum texanum
- Melaleucas
- Nerium
- Photinia serrulata Nova
- Pittosporum eugenioides
- Pittosporum crassifolium
- Pittosporum tenuifolium
- Prunus ilicifolia
- Rhamnus alaternus variegata
- Rhus laurina
- Teucrium

**Medium**

- Abelia Ed. Goucher
- Abelia grandiflora
- Atriplex lentiformis
- Berberis darwini
- Callistemon lanceolatus
- Ceanothus impressus

- Ceanothus purpureus
- Ceanothus Mt. Haze
- Choisya
- Coleonema pulchrum
- Cytisus racemosus
- Elaeagnus
- Eriogonum arborescens
- Escallonia ingrami
- Escallonia organensis
- Grevillea rosmarinifolia
- Hypericum mosericenum
- Hypericum frondosum
- Ilex burfordi
- Mahonia pinnata
- Myrtus communis
- Viburnum tinus
- Xylosma

**Low**

- Arctostaphylos hookeri
- Berberis irwini
- Ceanothus gloriosus
- Ceanothus horizontalis
- Ceanothus Mary Lake
- Ceanothus vineatus
- Cneorum tricoccon
- Convolvulus cneorum
- Coprosma kirki
- Cotoneaster horizontalis
- Cotoneaster decora
- Cotoneaster rotundifolia
- Helichrysum
- Myrtus compacta
- Rosmarinus prostrata

**Plants For Shade**

**Tall**

- Abutilon
- Azara microphylla
- Ilex aquifolium
- Laurus nobilis
- Myrica Calif.
- Osmanthus S. J. Hybrid
- Prunus ilicifolia
- Viburnum odoratissima

**Medium**

- Abelia floribunda
- Acanthus mollis
- Aucuba
- Berberis verruculosa
- Breunfelsia
- Calycanthus
- Cocculus laurifolius
- Escallonia rubra
- Fatsia

- Griselinia
- Mahonia aquifolium
- Mahonia bealei
- Osmanthus delavayi
- Osmanthus ilicifolius
- Pieris
- Prunus laurocerasus zabeliana
- Raphiolepis indica rosea
- Skimmia
- Ugni molinae

**Low**

- Arctostaphylos uva ursi
- Raphiolepis Coates crimson
- Ribes viburnifolium
- Sarcococca ruscifolia
- Sarcococca hookeriana humilis
- Sollya
- Trachelospermum
- Viburnum davidi

**Fragrant Shrubs**

Boronia megastigma  
 Chimonanthus  
 Daphne  
 Elaeagnus marginata  
 Gardenia  
 Choisya  
 Philadelphus  
 Pittosporum tobira  
 Pittosporum undulatum  
 Sarcococca

Carpenteria  
 Chimonanthus  
 Osmanthus  
 Murraya  
 Spartium  
 Syringa  
 Ugni  
 Viburnum burkwoodi  
 Trachelospermum

**Fruiting Shrubs**

Aucuba  
 Callicarpa  
 Cotoneaster  
 Feijoa  
 Psidium  
 Ilex  
 Nandina

Pyracantha  
 Mahonia  
 Photinia  
 Skimmia  
 Ugni  
 Vaccinium

**Flowering Shrubs**

**Spring**

Boronia Elatior  
 Callistemon  
 Carpenteria  
 Ceanothus - all  
 Cercis occidentalis  
 Chaenomeles  
 Cistus  
 Coleonema  
 Cornus  
 Cytisus  
 Deutzia gracilis  
 Exochorda  
 Forsythia  
 Grevillea rosmarinifolia  
 Hypericum  
 Kerria  
 Kolkwitzia  
 Mahonia  
 Osmanthus delavayi  
 Philadelphus  
 Prunus glandulosa  
 Raphiolepis  
 Spirea  
 Syringa  
 Tamarix  
 Weigela

Plumbago  
 Punica  
 Vitex

**Winter**

Arctostaphylos  
 Brachysema  
 Chimonanthus  
 Ericas  
 Rhus ovata  
 Ribes speciosum  
 Viburnum

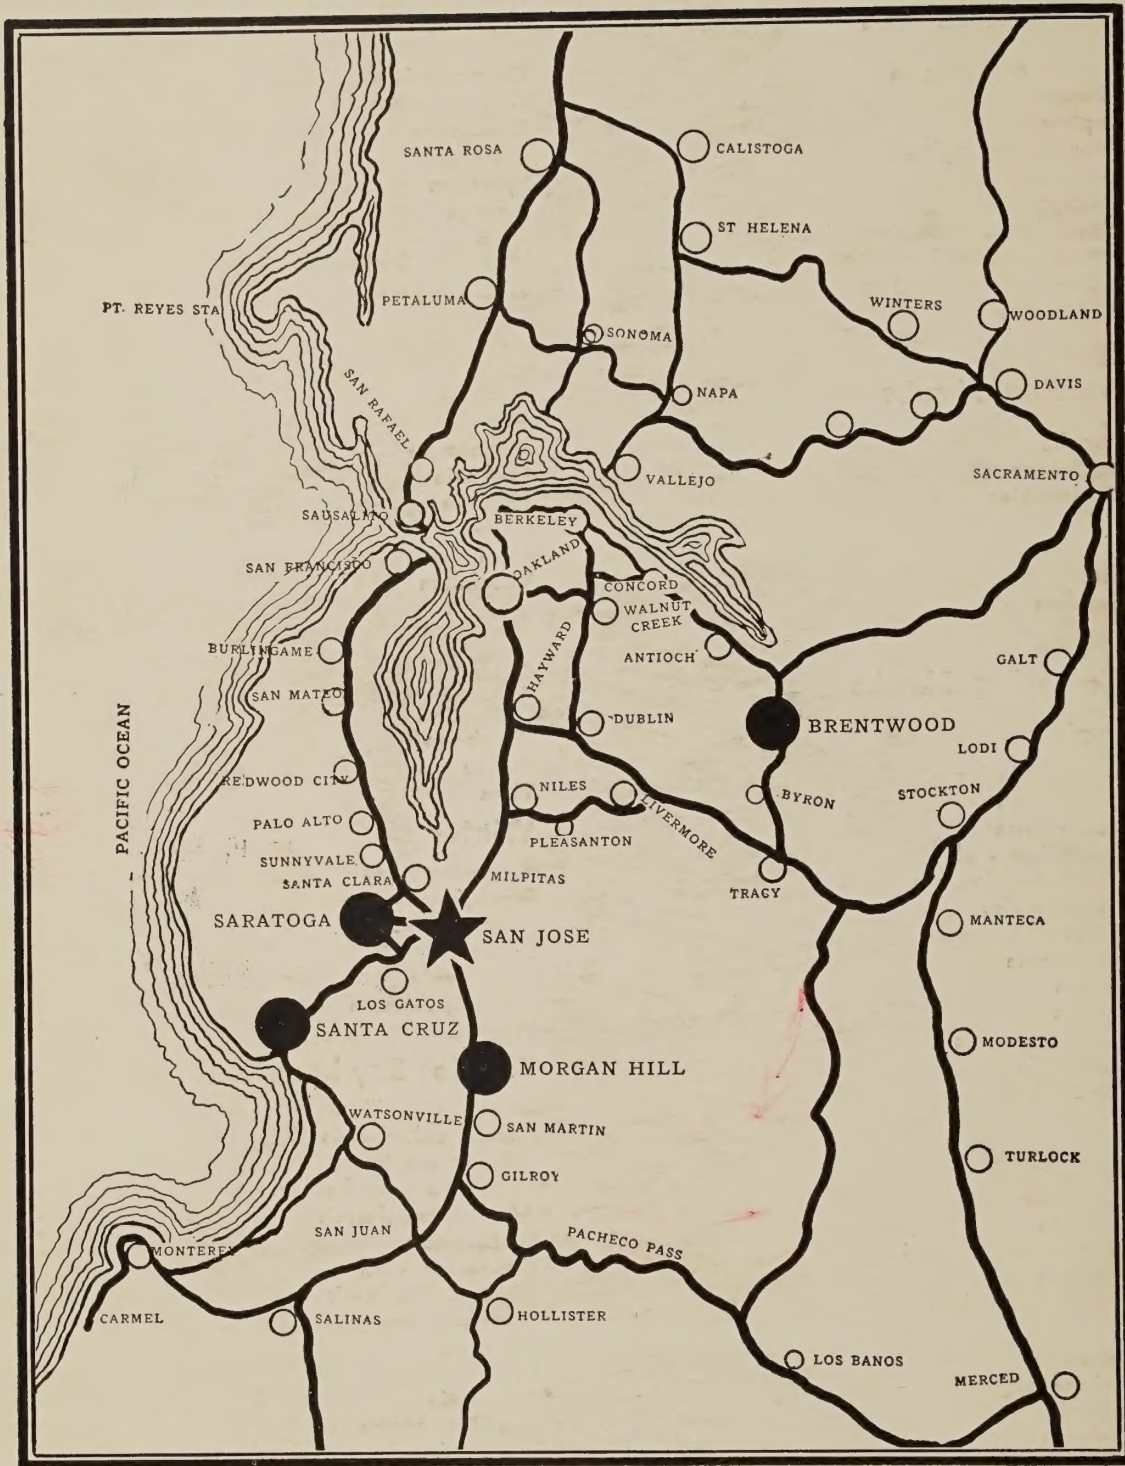

**For Hot Dry Locations**

Acacia verticillata  
 Acacia cultriformis  
 Arbutus unedo  
 \*Arctostaphylos hookeri  
 \*Atriplex lentiformis  
 Callistemon  
 \*Ceanothus - all  
 Cistus corbariensis  
 Elaeagnus marginata  
 \*Eriogonum  
 Feijoa  
 \*Fremontia
